

CLINICS

CLINICS AND SERVICES

In addition to GP consultations the practice offers a range of clinics and services:

Heart Disease Prevention Clinic -People with high blood pressure or a strong family history of heart disease are given comprehensive check-ups. Blood cholesterol check-ups are also arranged.

Respiratory (Asthma & COPD) Clinic- the clinic run by the practice nurse. She also gives advice on how to monitor their well-being at home by the use of the "peak flow meter".

Diabetic Clinic - At this clinic all your queries are answered and all necessary check-ups are done to prevent long-term complications.

Maternity Services. We offer full antenatal care and post-natal care

Weight Reduction Clinic - Please see the receptionist to make an appointment with the nurse.

Patients Aged 75 Years and Over -If you are 75 or over you should be seen annually by a member of the practice. This can be done at the surgery if you are well enough to attend. If you are housebound, a home visit will be arranged.

Minor Surgery This service deals with surgical removal of lumps, etc. under local anaesthesia, thus saving a visit to the Hospital.

Travel Immunisation We offer a range of travel immunisations. Please see the receptionist for details

Well Woman Clinic -Well woman clinics are run by Dr K Alauddin and nurse Wendy Cox.

As well as the above clinics the following services are also available here:-

- Alcohol Service - referral by your Doctor/Nurse
- Citizens Advice Bureau - alternate Mondays
- Physiotherapy - referral by our Doctor

How you can help us:

- ◆ Be on time for your appointment
- ◆ Tell us if you need to cancel your appointment
- ◆ Call for a home visit or urgent appointment before 10am

Gladstone Medical Centre is a training practice. We train doctors and medical Students from Countess of Chester Hospital and the School of Medicine, University of Liverpool.

If you do not want to be seen by Junior Doctor or a medical student present during consultation, Please let reception know.

Gladstone Medical Centre

This is one of the oldest Practices in Rock Ferry. It has passed through several generations of patients and Doctors since 1930.

The premises were altered and modernized in 1982. In 1995 the practice was again expanded to include a new extension and the addition of the adjoining building.

The existing premises also underwent a major refurbishment in 1999. At the end of 2004, saw the start of mere expansion work with two adjoining buildings. This was completed in 2006

In 2007, we received “the Practice team of the Year” award from the Royal College of Physicians.

We also provide **Online appointments** and Electronic **prescriptions** facility. **Enquiries/ comments/ feedback** can also be submitted through our website—

<http://www.gladstonemed.co.uk>
