April 2019

NEWSLETTER = APRIL 2019 EDITION

The Doctors and Staff at Gladstone Medical Centre welcome all new and existing patients. This year we have introduced various new services in conjunction with Wirral CCG and Wirral GP Federation. We have been a member of GPW-Fed for around a year and have signed up and hosted various services provided by the Federation to our practice patients. In addition to our General Practice Services we are offering Weekend Extended appointments, state of art Tele-ECG technology and Tele-Dermatology. We will continue to offer new and improved services for our patients.

Thank you once again to all our patients who have provided us with feedback. This has helped in improving service. Please continue to provide feedback through our NHS Friends and Family questionnaires and also through the National GP Survey.

Welcome to our New GP Partner—Dr M Paracha

We are thrilled to welcome Dr M Paracha who has joined the practice as a GP Partner from 1st April 2019

Dr. Paracha was educated on the Wirral prior to receiving his medical degree from Newcastle University as one of the fast-track graduates. He also holds a Bachelor of Sciences in Clinical Sciences & is a Member of the Royal College of General Practitioners. He trained in London at University College London Hospital NHS Foundation Trust and in Manchester at the Royal Manchester Children's Hospital & St. Mary's Hospital where he received excellent patient feedback. Dr Paracha believes in personalised patient care.

Need Weekend or Evening GP Appointments?

From 06th April 2019, Gladstone Medical Centre is providing weekend GP appointments every Saturday from 09:00 am to 1:00 pm. This service is provided in conjunction with GPW-Federation and is available to Wirral-Wide patients. The facility is also available to our Practice Patients and is meant for those who are working or cannot book appointments during weekdays. In addition to practice in-house weekend appointments, Wirral Extended Access Service is also available at various locations on Weekdays Mon– Fri 06:30 pm to 08:00pm and weekends Saturday and Sunday 08:00 am to 08:00pm. This is also available to our practice patients and you can contact reception during practice opening hours to avail this service.

To book an appointment at a location and time suitable for you please contact reception at 0151 645 2306.

Increased Clinician Appointments

Keeping in view excellent patient service, the practice is now providing additional clinical sessions for GPs, Nurses and Phlebotomist. Extra GP clinics are provided on Mon, Thurs and Fri. We have increased nursing sessions from May 2019 by recruiting new member of staff. We have also increased number of pre-bookable appointments with our Phlebotomist. We will continue to provide a streamline service where one of the partners will be available every day.

Call 111– Non Emergency Number

111 is the NHS non emergency number– it is fast, easy and free. Call 111 and speak to a highly trained advisor supported by healthcare professionals. For immediate, life threatening emergencies call 999.
